

### Waiver of Liability and Indemnification

See the Change Tanzania

July 7-13, 2024

The Rural Development Institute (dba Landesa) is pleased to welcome you to Tanzania, where we will visit Landesa project implementation sites, tour with Stand for Her Land community partners, and engaging in tourist and cultural activities. Foreign travel comes with risks, and Landesa needs to limit its legal exposure in order to host such travel.

Therefore, in exchange for participation in the activities described above, I agree to the following:

**COMPLIANCE WITH INSTRUCTIONS:** I agree to observe and follow all reasonable oral and written instructions given by Landesa personnel, as well as individuals and entities retained by Landesa for the purposes of managing the travel and activities described above.

**ASSUMPTION OF RISK AND RELEASE:** I recognize that there are certain risks associated with the travel and activities described above, such as personal injury, being the victim of a crime, and losing personal property. I hereby release and discharge Landesa from liability for any such harm, whether listed here or otherwise, including harm caused by negligence of Landesa.

**INDEMNIFICATION:** I agree to indemnify Landesa against any and all claims, causes of action, damages, judgments, and other costs which may arise due to my participation in the travel and activities described above.

**GOVERNING LAW.** This Waiver of Liability and Indemnification shall be governed by and construed in accordance with the laws of the U.S. State of Washington.
