Independent Auditor's Report

**To the Board of Directors
Landesa
Seattle, Washington**

Opinion

We have audited the consolidated financial statements of Landesa and its subsidiaries (collectively the Organization), which comprise the consolidated statements financial position as of June 30, 2025 and 2024, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as of June 30, 2025 and 2024, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Organization's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Organization's basic financial statements. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations *Part 200*, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 24, 2024 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Organization's internal control over financial reporting and compliance.

LANDESA AND SUBSIDIARIES

Notes to Consolidated Financial Statements For the Years Ended June 30, 2025 and 2024

Note 1 - Nature of Operations and Summary of Significant Accounting Policies

Landesa (the Organization) is a Washington nonprofit corporation founded 1981. Landesa is an international organization working to secure land rights for the world's poorest people. The Organization's professionals have worked in over 40 developing countries in partnership with governments, nongovernmental organizations, numerous foreign aid agencies, and other partners to design and implement laws, policies, and programs that provide opportunity, further economic growth, and promote social justice. The Organization has offices in:

- Seattle, Washington, United States
- Beijing, China
- New Delhi, India
- Monrovia, Liberia
- Dar es Salaam, Tanzania
- Nairobi, Kenya
- Jakarta, Indonesia
- Kigali, Rwanda
- Bangkok, Thailand
- Phnom Penh, Cambodia

The Organization does not hold significant amounts of assets or liabilities denominated in non-United States currency at June 30, 2025 and 2024. During the years ended June 30, 2025 and 2024, \$2,786,091 and \$5,744,556, respectively, of expenses were incurred outside of the United States of America.

The Organization receives significant revenue from multi-year grants. If the grant award is not conditioned upon future actions, accounting principles generally accepted in the United States of America (U.S. GAAP) require the Organization to recognize the entire grant as revenue in the year the grant was awarded. This accounting requirement may account for large annual increases or decreases in total revenue and support, and the annual change in the net assets.

Principles of Consolidation - These consolidated financial statements include the accounts of Landesa and Landesa's subsidiaries and controlled entities, including:

- Landesa Consulting, LLC, a Washington limited liability corporation whose sole member is Landesa.
- Rural Development Institute, a nonprofit trust organized under the laws of India.
- Landesa Private Limited Company, a private limited company organized under the laws of India.
- Kenya Limited LLC, a private limited liability company organized under the laws of Kenya.

All intra-entity balances and transactions have been eliminated. All amounts in these consolidated financial statements are stated in United States dollars.

Basis of Presentation - Net assets and revenues, along with gains and losses are classified based on the existence or absence of donor-imposed restrictions and include the Organization's foreign and domestic activities. Accordingly, the net assets of Organization and changes therein are classified and report as follows:

Net Assets Without Donor Restriction - Net assets that are not subject to externally imposed restrictions.

Net Assets With Donor Restrictions - Net assets subject to externally imposed restrictions that will be met either by action of Landesa or the passage of time.

LANDESA AND SUBSIDIARIES

Notes to Consolidated Financial Statements For the Years Ended June 30, 2025 and 2024

Note 1 - Continued

Revenues are reported as increases in net assets without donor restrictions unless use of the related assets are limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in net assets without restrictions unless their use is restricted by explicit donor stipulation. Expirations of restrictions on net assets (i.e., the donor stipulated purpose has been fulfilled or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets.

Revenue Recognition -

Contributions and Grants - Unconditional grants and contributions are recognized in the period received. A grant or contribution is considered conditional when it has a right of return/release and barriers to entitlement. Conditional grants and contributions are recognized in the period in which the conditions are met. All grants and contributions are available for general use unless specifically restricted by the donor. Conditional grants include cost-reimbursement grants for which the Organization recognizes revenue in the period in which eligible costs are incurred. Payments received in advance for conditional contributions before the conditions are satisfied are recorded as deferred revenue. The Organization had \$9,953,070 and \$11,582,182 in conditional grants and contributions outstanding at June 30, 2025 and 2024 respectively as described in Note 3.

Contract Receivables/Revenue - Contract revenue is recognized as services are provided. Revenue from time and materials contracts is recognized when eligible costs are incurred. Revenue from performance-based contracts is recognized when performance is completed. If revenue recognized exceed cash advances received, then a receivable is recorded. If cash advances exceed revenue recognized, then a liability, deferred revenue, is recorded. The Organization has contracts receivable of \$117,546, \$161,016 and \$339,798 outstanding at June 30, 2025, 2024 and 2023, respectively. In addition, the Organization reported deferred contract revenue of \$158,137, \$311,448, and \$297,867 at June 30, 2025, 2024, and 2023, respectively.

In-Kind Contributions - In-kind contributions represent contributed website services and legal services which are used in operations. These services were recorded at fair value and amounted to \$0 and \$1,640 for the years ended June 30, 2025 and 2024, respectively. In-kind services are only recognized if the services require a specialized skill that would otherwise be purchased by the Organization.

Cash and Cash Equivalents - The Organization considers highly liquid investments within original maturities of three months or less to be cash equivalents except cash balances held in investments. The Organization maintains its cash and cash equivalents and investments in bank deposit and brokerage accounts and interest-bearing money market funds, which, at times, may exceed federally insured limits.

Investments - Investments in debt and equity securities with readily determinable market values are recorded at fair value.

The fair value of investments in securities traded on national securities exchanges are stated at the closing price on the last business day of the fiscal year. Net realized and unrealized gains and losses on investments is presented on the consolidated statements of activities, with respect to any donor restrictions. Investment return is presented net of related investment fees.

LANDESA AND SUBSIDIARIES

Notes to Consolidated Financial Statements For the Years Ended June 30, 2025 and 2024

Note 1 - Continued

Pledges and Grant Receivable - Pledges and grants receivable are stated at the amount management expects to collect from outstanding balances. The Organization records an estimated allowance for uncollectible pledges and grants receivable based on its assessment of possible uncollectible amounts. The Organization charges off receivables against the allowance when management determines that a receivable is not collectible. No allowance has been recorded for the years ended June 30, 2025 and 2024, based on historical collection trends.

Pledges and grants receivable that are expected to be collected within one year are recorded at net realizable value. Pledges and grants receivable that are expected to be collected in future years are initially recorded at fair value, which is measured at the present value of expected future cash flows. The discounts on those amounts are computed using donor-specific risk-adjusted interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in grants and contributions revenue in the consolidated statements of activities.

Property and Equipment - Property and equipment purchases greater than \$5,000 are capitalized and are recorded at cost or, in the case of donated fixed assets, at estimated fair value at the time of donation. Depreciation of fixed assets is provided for over the estimated useful lives of the assets for three to seven years on a straight-line basis.

Leases - The Organization determines if an arrangement contains a lease at inception. Operating leases are included in right-of-use (ROU) assets and lease liabilities in the consolidated statements of financial position. ROU assets represent a right to use an underlying asset for the lease term and operating lease liabilities represent the Organization's obligation to make lease payments arising from the lease. ROU assets and lease liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. The Organization's leases do not provide an implicit rate of return; thus, the organization uses the risk-free discount rate, determined using a period comparable with that of the lease term from the later of the lease commencement date or implementation date. The ROU asset also includes prepaid lease payments and unamortized initial direct costs and excludes lease incentives. Lease terms may include options to extend or terminate the lease when it is reasonably certain that the organization will exercise that option. Lease expense for lease payments is recognized on a straight-line basis over the lease term. A ROU asset and operating lease liability is not recognized for leases with an initial term of 12 months or less or when total lease payments are less than \$5,000.

India Termination Benefits - In compliance with the Payment of Gratuity Act, 1971, employees located in India that have over five years of service are entitled to a lump-sum payment when they leave a company. The payment is based on a calculation that factors in length of service and most recent salary. The Organization has accrued a benefit for each eligible employee as of June 30, 2025 and 2024 of \$0 and \$78,524, respectively.

Vulnerability From Certain Concentrations - For the year ended June 30, 2025, 27% of the Organization's revenues were from two entities. For the year ended June 30, 2024, 42% of the Organization's revenue was from three entities. At June 30, 2025 and 2024, 80% and 56% of receivables were due from three and two entities, respectively. Management of the Organization is aware of the related vulnerability but does not anticipate any losses in connection with these concentrations, based on historical collections.

LANDESA AND SUBSIDIARIES

Notes to Consolidated Financial Statements For the Years Ended June 30, 2025 and 2024

Note 1 - Continued

Income Tax Status - The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. RDI India Trust and Landesa Foundation for Innovations in Development Management are exempt from income taxes under Section 12AA(1)(b)(i) of the Indian Income Tax Act. Landesa Consulting Private Limited is subject to income tax in India with a maximum rate of 30%. Landesa Consulting LLC is subject to income tax in the People's Republic of China at a rate of 25%. No income tax expenses were incurred in India or China during the years ended June 30, 2025 and 2024, respectively.

Functional Allocation of Expenses - The cost of providing the various programs and other activities have been summarized on a functional basis in the consolidated statements of activities and functional expenses. Accordingly, costs benefiting one category are directly charged. Other costs (rent and other occupancy, depreciation, telecommunications, information technology, consulting and professional fees, and other expenses) have been allocated among the categories benefited using the relative payroll and benefits for each area.

Use of Estimates - The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events - The Organization has evaluated subsequent events with respect to the consolidated financial statements for the year ended June 30, 2025 through November 24, 2025, the date the consolidated financial statements were available to be issued and has determined that no adjustments are necessary to the amounts reported in the accompanying consolidated financial statements, nor have any events occurred, the nature of which would require disclosure.

Note 2 - Pledges and Grants Receivable

Included in pledges and grants receivable were the following unconditional promises to give at June 30:

	2025	2024
Amounts due in one to five years	\$ 812,000	\$ 1,100,000
Less unamortized discount to present value (0.66% - 3.51%)	<u>(45,073)</u>	<u>(49,279)</u>
Net long-term pledges and grants receivable	766,927	1,050,721
Amounts due in less than one year	<u>2,050,763</u>	<u>2,241,286</u>
Total Pledges and Grants Receivable	<u>\$ 2,817,690</u>	<u>\$ 3,292,007</u>

LANDESA AND SUBSIDIARIES

Notes to Consolidated Financial Statements For the Years Ended June 30, 2025 and 2024

Note 3 - Conditional Awards

Conditional promises to give were as follows at June 30:

	<u>2025</u>	<u>2024</u>
Conditional promises to give (project deliverables)	\$ 27,779,915	\$ 24,050,295
Less cumulative amount recognized	<u>(17,826,845)</u>	<u>(12,468,113)</u>
	9,953,070	11,582,182
Conditional promises to give (matching contributions)		113,500
Less cumulative amount recognized		<u>(113,500)</u>
Total Conditional Awards	<u>\$ 9,953,070</u>	<u>\$ 11,582,182</u>

The Organization expects to satisfy the conditions contained in these grants over the next three years.

Note 4 - Property and Equipment

Property and equipment consist of the following at June 30:

	<u>2025</u>	<u>2024</u>
Furniture and equipment	\$ 184,845	\$ 184,845
Software	153,274	153,274
Leasehold improvements	<u>14,333</u>	<u>14,333</u>
	352,452	352,452
Property and equipment		
Less accumulated depreciation	<u>(345,358)</u>	<u>(339,352)</u>
Property and Equipment, Net	<u>\$ 7,094</u>	<u>\$ 13,100</u>

Note 5 - Investments and Fair Value Measurements

U.S. GAAP defines fair value and establishes a framework to measuring fair value and requires disclosures about fair value measurement. To increase consistency and comparability in fair value measurements, U.S. GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation approaches on three broad levels. The hierarchy gives the highest priority to quoted prices in active markets (Level 1) and the lowest priority to an unobservable input (Level 3).

LANDESA AND SUBSIDIARIES

Notes to Consolidated Financial Statements For the Years Ended June 30, 2025 and 2024

Note 5 - Continued

Valuation Techniques - Financial assets and liabilities valued using Level 1 inputs are based on unadjusted quoted market prices within active markets. Financial assets and liabilities valued using Level 2 inputs are based primarily on quoted prices for similar assets or liabilities in active or inactive markets. Financial assets and liabilities using Level 3 inputs are primarily valued using management's judgment about the assumptions market participants would utilize in pricing the asset or liability. Valuation techniques utilized to determine fair value are consistently applied.

The following is a description of the valuation methodologies used for the Organization's investments measured at fair value. There have been no changes in methodologies used at June 30, 2025 and 2024.

U.S. Government Securities - Valued at the closing price reported on the active market on which the securities are traded.

Mutual Funds - Valued using the market approach based on quoted market prices in active markets, which represent the net asset value (NAV) of shares held by the Organization.

Marketable Securities - Valued at the closing price reported on the active market on which the securities are traded.

Real Estate Investment Trusts - Valued at the closing price reported on the active market on which the securities are traded.

Corporate Bonds - Valued at the closing price reported on the active market on which the securities are traded.

The fair values of investments measured on a recurring basis consist of the following as of June 30:

	2025	2024
U.S. Government securities	\$ 4,349,175	\$ 6,950,774
Money market funds	2,086,825	384,648
Mutual funds	12,581	677,076
Marketable securities	1,216,862	
Real estate investment trusts	17,308	
Corporate bonds	4,758,150	9,187,266
	<u>\$ 12,440,901</u>	<u>\$ 17,199,764</u>

LANDESA AND SUBSIDIARIES

Notes to Consolidated Financial Statements For the Years Ended June 30, 2025 and 2024

Note 5 - Continued

Fair values of the Organization's investments measured on a recurring basis were as follows at June 30:

	Fair Value Measurements at June 30, 2025			
	Level 1	Level 2	Level 3	Total
U.S. Government securities	\$ 4,349,175	\$ -	\$ -	\$ 4,349,175
Mutual funds	12,581			12,581
Marketable securities	1,216,862			1,216,862
Real estate investment trusts	17,308			17,308
Corporate bonds		4,758,150		4,758,150
Total Investments at Fair Value	\$ 5,595,926	\$ 4,758,150	\$ -	10,354,076
Money market funds at cost				2,086,825
Total Investments				\$ 12,440,901

	Fair Value Measurements at June 30, 2024			
	Level 1	Level 2	Level 3	Total
U.S. Government securities	\$ 6,950,774	\$ -	\$ -	\$ 6,950,774
Mutual funds	677,076			677,076

Note 6 - Net Assets Without Donor Restrictions

Net assets without donor restrictions consist of the following at June 30:

	2025	2024
Board designated operating reserves	\$ 5,105,878	\$ 367,135
Undesignated	6,297,728	15,191,078
Total Net Assets Without Donor Restrictions	\$ 11,403,606	\$ 15,558,213

LANDESA AND SUBSIDIARIES

Notes to Consolidated Financial Statements For the Years Ended June 30, 2025 and 2024

Note 7 - Net Assets With Donor Restrictions

Net assets with donor restrictions were available for the following purposes at June 30:

	<u>2025</u>	<u>2024</u>
Specific purpose-		
Program expenses:		
Southeast Asia	\$ 2,743,920	\$ 5,017,213
Women's Center	1,291,855	1,127,291
China	838,586	
General Operating	253,041	185,723
Climate Change	336,751	340,779
General	154,146	103,218
India	211,221	82,124
Africa	34,092	601,510
Fellowship	19,730	19,730
Passage of time:		
General support in future years	<u>397,512</u>	<u>500,000</u>
	<u>\$ 6,280,854</u>	<u>\$ 7,977,588</u>

Net assets released from restriction totaled \$10,688,093 (including \$102,488 released for passage of time) and \$11,176,777 (including \$500,000 released for passage of time) for program activities for the years ended June 30, 2025 and 2024, respectively.

Note 8 - Leases

The Organization leases office space and equipment under long-term, noncancelable lease agreements which expire at various dates through 2027. Additionally, the leases include payments for common area maintenance that are considered variable lease payments and are excluded from determining the lease liability.

The components of lease expense for the year ended June 30, 2025 were as follows:

Operating lease cost	\$ 217,240
Short-term and other lease costs	<u>72,128</u>
Total Leasing Expense	<u>\$ 289,368</u>

The components of lease expense for the year ended June 30, 2024 were as follows:

Operating lease cost	\$ 200,014
Short-term and other lease costs	<u>97,356</u>
Total Leasing Expense	<u>\$ 297,370</u>

LANDESA AND SUBSIDIARIES

Notes to Consolidated Financial Statements For the Years Ended June 30, 2025 and 2024

Note 8 - Continued

Supplemental cash flow information related to leases as of June 30, 2025 was as follows:

Cash paid for amounts included in the measurement of lease liabilities-	
Operating cash flows from operating leases	\$ 221,687
Weighted-average remaining lease term - operating lease	1.6
Weighted-average discount rate - operating lease	3%

Supplemental cash flow information related to leases as of June 30, 2024 was as follows:

Cash paid for amounts included in the measurement of lease liabilities-	
Operating cash flows from operating leases	\$ 197,237
Weighted-average remaining lease term - operating lease	2.9
Weighted-average discount rate - operating lease	3%

Future minimum payments required under operating leases as of June 30, 2025 are as follows:

For the Year Ending June 30,	<u>Operating</u>
2026	\$ 157,243
2027	<u>74,796</u>
Total undiscounted cash flows	232,039
Less present value discount	<u>(5,105)</u>
Total Lease Liabilities	<u>\$ 226,934</u>

Note 9 - Retirement Plan

The Organization has a 401(k) retirement plan (the Plan) for its employees. Participants elect to make contributions to the Plan, and Landesa contributes 3% of an employee's gross wages to the Plan regardless of any employee contribution. Total employer contributions related to the Plan were \$180,092 and \$173,044 for the years ended June 30, 2025 and 2024, respectively.

Note 10 - Employee Retention Tax Credit (ERTC)

In response to the COVID-19 pandemic, the U.S. Congress passed the CARES Act. Included in the CARES Act was the ERTC to encourage businesses and not-for-profit organizations impacted by COVID-19 to keep employees on their payroll. The ERTC is a refundable tax credit computed based on wages paid by the Organization. The Organization's accounting policy for the ERTC is to record revenue at the same time management approves the calculation necessary to file the claim for the credits with the Internal Revenue Service. No ERTC revenue was recognized for the years ended June 30, 2025 and 2024.

LANDESA AND SUBSIDIARIES

Notes to Consolidated Financial Statements For the Years Ended June 30, 2025 and 2024

Note 10 - Continued

For the years ended June 30, 2025 and 2024, a receivable of \$278,375 and \$570,763 was outstanding from the IRS, respectively.

Note 11 - Related-Party Transactions

The Organization received \$62,000 and \$83,500 of total revenue from related parties for the years ended June 30, 2025 and 2024, respectively. Related parties include a private foundation where a member of Organization's Board of Directors is a key member of management.

Note 12 - Liquidity and Availability of Resources

The Organization strives to maintain liquid financial assets in excess of the operating reserve at all times. A cash flow forecast projecting domestic cash at least twelve months into the future is updated on a monthly basis. Financial assets in excess of daily cash requirements are invested in savings accounts and money market funds.

In accordance with a board resolution adopted in 2010, the Organization maintains an operating reserve equal to at least three months of budgeted unsecured operating expenses. The operating reserve balance as of June 30, 2025 and 2024 was \$5,105,878 and \$367,135, respectively (Note 6).

The following table reflects the Organization's financial assets as of June 30, 2025 and 2024, reduced by amounts that are not available to meet general expenditures within one year of the statement of financial position date. In the event the need arises to utilize the operating reserve for liquidity purposes, it could be drawn upon through Executive Committee resolution.

	2025	2024
Cash and cash equivalents	\$ 2,306,165	\$ 3,014,555
Pledges and grants receivable, current	2,050,763	2,241,286

LANDESA AND SUBSIDIARIES

Notes to Schedule of Expenditures of Federal Awards For the Year Ended June 30, 2024

Note 1 - Basis of Presentation

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of Landesa and Subsidiaries (collectively, the Organization) under programs of the federal government for the year ended June 30, 2025. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

Note 2 - Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following, as applicable, either the cost principles in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Expenses incurred under federal programs are subject to audit by the awarding agencies. If, as a result of such an audit, certain expenses incurred are determined to be nonreimbursable, the Organization may be liable for repayment of disallowed expenses previously claimed or received.

Note 3 - Indirect Cost Rate

The Organization has elected not to use the de minimis indirect cost rate allowed under the Uniform Guidance.

SINGLE AUDIT REPORTS

**Report on Internal Control Over Financial Reporting
and on Compliance and Other Matters Based on an
Audit of Financial Statements Performed in
Accordance With Government Auditing Standards**

Independent Auditor's Report

**To the Board of Directors
Landesa
Seattle, Washington**

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*), the financial statements of Landesa and its Subsidiaries (collectively, the Organization) which comprise the consolidated statement of financial position as of June 30, 2025, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated November 24, 2025.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

F: 425-454-4620

555 110th Ave NE
Suite 700
Bellevue, WA
98004

clarknuber.com

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Report on Compliance for Each Major Federal Program;
Report on Internal Control Over Compliance
Required by the Uniform Guidance**

Independent Auditor's Report

**To the Board of Directors
Landesa
Seattle, Washington**

Report of Compliance for Major Federal Program

Opinion on Each Major Federal Program

We have audited Landesa and Subsidiaries (collectively, the Organization's) compliance with the types of compliance requirements identified as subject to audit in the OMB Compliance Supplement that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2025. The Organization's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2025.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

T: 425-454-4919
T: 800-504-8747

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Organization's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance and therefore, material weaknesses or significant deficiencies may exist that were not identified.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Status: Corrective action taken

In January 2025, Landesa implemented a new procurement policy and software designed to address procurement approval workflows, based on the dollar amount of the procurement and signing authority internally. The redesigned process also addresses when exceptions to competition may be used and what support and documentation is required for the approval.
